# Adjustable Clamping Levers • inner parts from stainless steel, with female thread

# **Product Description**

Adjustable clamping levers with rust-proof inner parts. Suitable for multiple applications, e.g. medical environments, chemical industry, and so on.

#### **Material**

#### Lever

 Zinc die-cast, plastic coated, orange similar to RAL 2004, matt structure

#### Threaded part

• Stainless steel 1.4305

#### Inner parts

· Stainless steel 1.4305

#### Operation

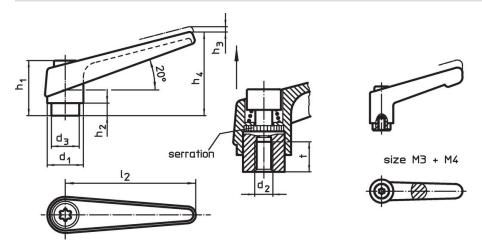

By lifting the lever the serrations are disengaged. The lever can be positioned by the serrations. On releasing the lever, the serrations are automatically re-engaged.

#### More information

#### Notes

The threaded portion can be exchanged.
