Nuts for T-Slots • DIN 508

23010.0103

Product Description

These nuts for T-slots (slot nuts) are manufactured according to DIN 508. The range is extended by other dimensions that are not included in DIN.

Material

· Heat-treated steel, quality 8, bright

Assembly

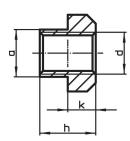

The entire loading capacity of the T-nut can only be applied if the screwing is guaranteed to be made over the total thread length of the T-nut.

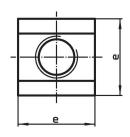

More information

Notes

Special types on request.
