

Index Plungers · simple finish

22120.0776

Product Description

Application is limited to cases not requiring a precise positioning.
Simple finish with very small dimensions.

Material

Body

- Stainless steel 1.4305

Locking pin

- Stainless steel 1.4305

Pull-ring

- Stainless steel 1.4310

Operation

When using locking index plungers, the knob is pulled-out, turned 90° and secured by a notched catch (when locking pin should not overhang).

More information

Notes

Lock nuts have to be purchased separately.

Further products

- Locating Bushings, for index bolts and index plungers
