# Clamps · slotted, with adjustable counter piece

#### 23185 0017

## **Product Description**

The thrust pad and the counter element are connected with the clamp and therefore secured against loss. Consequently, the clamp is quickly ready for use. The clamp is equipped with two flat noses and can be turned around depending on the case of application.

#### Material

• Steel, tempered, zinc-plated by galvanization

#### More information

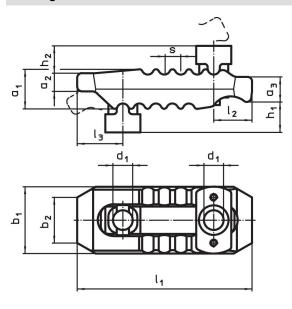

#### References

Larger clamping heights can be reached by the use of a support extension (EH 23185.). T-bolts DIN 787 (EH 23030.) or alternatively studs DIN 6379 (EH 23040.) can be used for the clamping.

#### **Further products**

• Support Extensions, for straight clamps, slotted, with adjustable counter piece
