Clamps • slotted, with adjustable counter piece, with stud with internal hexagon 23185.0323

Product Description

The thrust pad and the counter element are connected with the clamp and therefore secured against loss. Consequently, the clamp is quickly ready for use. The clamp is equipped with two flat noses and can be turned around depending on the case of application.

Material

Screw

· Heat-treated steel

Nut

· Heat-treated steel

Disc

· Heat-treated steel

Clamp

Steel, tempered, zinc-plated by galvanization

Assembly

The internal hexagon in the stud enables quick assembly and disassembly.

More information

References

Larger clamping heights can be reached by the use of a support extension (EH 23185.).
